2002 "R" Cabernet Sauvignon Rancho Sarco, Napa Valley

The color of the 2002 Rancho Sarco Cabernet has incredible depth and the hues are bright purple. The aromas of cassis, currants, and dusty blueberries are complemented with a bouquet of coffee and mocha with hints of leather. On the pallet, there are bright red fruits with a chalky dustiness typical of Napa Valley Cabernet. The wine is well structured and will reward the patient with additional complexity and softness with 2-4 years in the bottle.
