

## **Reopening- Safety Statement**

**Tastings by Reservation-** In order to provide distance between visitors, we need to manage our limited floor-space. Per state guidelines we can accommodate groups up to 6 people. To ensure we follow all the necessary steps to safely serve our guests, we now have tastings available by reservation using Tock. This reservation system is designed to do that. It is as simple as making a booking at your favorite restaurant. To check on availability and to make a reservation, please click here([insert link](#)).

**Purchases and Wine Club Pick-ups-** Reservations are NOT required for Wine Club pick-ups and purchases. Pick-ups and purchases are available 7 days a week between 11am-5pm.

**Face Coverings-** Our staff in the tasting room will be wearing face coverings. This is in accordance with the CDC's guidelines.

**Daily Health Screenings-** We will be conducting daily health screenings that will include temperature screening and/or symptom checking of staff safely and respectfully, and in accordance with any applicable privacy laws and regulations.

**Staff Education-** All staff members have taken a training class for COVID safety procedures and have signed a COVID-19 safety compliance agreement.

**Cleaning and Disinfection-** Our tasting room staff has always demonstrated our dedication to provide a clean and safe environment to enjoy and taste "R" wines. Here's a list of measures we will have already implemented.

- Clean and disinfect frequently touched surfaces (e.g., door handles, cash registers, workstations, sink handles, bathroom stalls). Clean shared objects (e.g., payment terminals, tables, countertops/bars) between each use.

- Hand Sanitation stations are available at the entrance, exit and bathroom hallways.

- Staff is trained on proper cleaning timing and procedures to ensure safe and correct application of disinfectants.

- Use gloves when removing garbage bags or handling and disposing of trash. Wash hands before and after using.

-Continue to follow all required safety laws, regulations, and rules.
